Copy 2 of 4

29 November 1957

The Ramo-Wooldridge Corporation
Los Angeles, California

Gentlemen:

Reference is made to recent conversations concerning the termination of G, H, J, and K racks and related support equipment for Customer No. 2. This cancellation was formalized by Cable No. 71495.

Customer No. 2 has requested that they be advised as to the costs incurred on their work to date on these racks and a listing of all material purchased prior to cancellation. It is requested that you furnish this information to the undersigned as soon as possible.

Very truly yours,

Contracting Officer
